

Living with Cancer: A Peterborough Area Support Group

AT the Heart of Healing..... Hope

Individuals and families who are dealing with cancer are often at a loss to find emotional support and understanding for the many challenges this illness brings to their lives. The cancer support group is intended to compliment medical treatment by offering support from others who understand and share these challenges.

This Group is available to anyone with cancer or anyone who has dealt with cancer or a similar life-threatening illness. The group meets every Friday from **12:00 to 1:15**, in conference room #3 of Monadnock Community Hospital. This group is supported by a generous donation from the Monadnock United Way, and is offered free.

MAPS has been offering cancer support services since **1989**. Our groups are places of caring, support and discovery which offer hope and spiritual well being while living with cancer. If you or someone you love is interested in learning more about this group, Please call Adele Michaelides at **(603)924-2240, ext. 302** Pre-Registration is required.

MAPS Counseling Services: 44 Concord St., Peterborough, N.H.
